You will see her working along side the Extension staff this summer along with helping with our Mini 4-H'ers during fair.

# **Indiana 4-H Quality Livestock Care**

All Livestock Exhibitors (Cattle, Poultry, Sheep, Goats, Swine & Rabbit) MUST complete the Indiana 4-H Quality Livestock Care (QLC) training in order to unload their animals at fair.

This is a new program that is replacing the previous Youth for the Quality Assurance Program or YQCA. This program is currently only offered in-person, thanks to the sponsorship of Clay County Farm Bureau, this is FREE! If you are not able to attend one of the in-person trainings, the YQCA online program will fill the requirement for the quality care training. This can be done at yqcaprogram.org. If you complete it online, you MUST provide your certificate to the Extension Office (email korniak@purdue.edu) or bring it in during office hours Monday-Friday 8 am to 4 pm).

FINAL TRAINING IS ON <u>JUNE 21</u> @ 6:30 pm in the Exhibit Hall. Please call the Extension Office to RSVP your spot.

# PROIECT SUPERINTENDENTS & EXHIBIT HALL VOLLUNTEERS

The fair takes a huge amount of volunteer manpower to make it successful so, if you could spare a couple of hours to help out it would be greatly appreciated. To volunteer, visit the Sign Up Genius links below or call the extension office at 812-448-9041, thank you in advance for helping!

We could not process all of the projects for the Fair without the help of superintendents. Superintendents help check-in projects, assist the judges, and prepare the displays. They will be needed Wednesday, July 12 from 4:30—8:00 pm and Thursday, July 13 from 4:30-8:00 pm. Project Superintendents - https://www.signupgenius.com/go/60b084aaeac2da1f94-exhibit#/

We are also in need of volunteers to work two hours shifts in the 4-H Exhibit Hall to help visitors find an exhibit they are searching for and to keep our 4-H member's wonderful exhibits from getting damaged from curious hands.

# 2023 CLAY COUNTY 4-H LIVESTOCK AUCTION

On Friday evening July 21st at 6 pm we will be having a live animal livestock auction in the show arena. Exhibitors in rabbit, poultry, sheep, meat goat, swine, beef and dairy will have the opportunity to designate an eligible market animal to auction off. We encourage you to reach out to community members and businesses to come out and support the auction by purchasing yours or other members animals. There will be a free meal for those registered buyers prior to the auction.

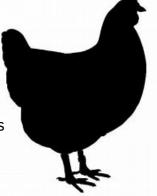

On Saturday evening July 22nd at 6 pm we will be having a 4-H Benefit and Celebration Dinner in the Exhibit Hall. This will be similar to the Benefit for the Barns event that has been held in place of the auction the last 2 years. Buyers will have the option to come in and donate money to any of the 4-H'ers who participated in the livestock auction on Friday evening. There will be a tack auction to help raise money for our youth as well. This night is mostly to CELBRATE all the hard work that 4-H'ers have completed during fair week and throughout the year! We will specifically be highlighting all of our seniors and those in attendance will receive scholarship funds. All 4-H'ers in the Clay County 4-H Program, including non-livestock members, will eat free at the 4-H benefit thanks to the sponsorship of First Farmers Bank and Trust. Hope you are able to CELEBRATE with us!

**POULTRY BLOOD TESTING- JUNE 13 & JUNE 24** 

In 1981 Indiana became an official U.S. Pullorum-Typhoid clean state. To maintain this classification, all poultry (excluding waterfowl & pigeons) going to the county fair must be officially blood tested.

Blood testing will be offered after the club meeting on June 13th being held at 7 pm at the fairgrounds. It will also be offered on the morning of Saturday, June 24th at the Clay County 4-H Fairgrounds Poultry Barn from 9-11 am. The cost for testing is to be determined, but is expected to be about \$1 per animal. These will be the only days that blood testing is offered. Please make arrangements to attend!

Your final poultry entry forms will need to be turned into the Extension Office by June 24th. Those forms can be found <a href="here">here</a> or at the Extension Office.

# 2023 INDIANA 4-H APPROVED ANIMAL GROOMING PROGRAM

If you plan to have someone other than an immediate family member or another Indiana 4-H member help with grooming or assist in caring for your animal during the Clay County Fair and/or the Indiana State Fair, then they will need to go to the link below to complete the process & be approved by July 1, 2023.

Qualtrics Survey | Qualtrics Experience Management

A couple of key points and reminders:

- Applicants must complete the process annually by July 1 in order to help at the county fair.
- If someone is an approved 4-H Volunteer, that does not mean they are in this program automatically.
- This process must be completed annually and is only for those with a valid Indiana Driver's License.
- A report will be kept on hand with all approved groomers listed.
- Once enrolled in the program, you will be able to assist any 4-H member from any county on any animal species.
- This process works best on a desktop computer.

# Working on your posters yet?

## GET YOUR STATE APPROVED POSTER BOARD AND SLEEVES AT THE **EXTENSION OFFICE!**

We are offering foam core poster boards for \$3 and clear plastic covers for \$1. The clear plastic covers are designed like an envelope where you simply slip your foam core poster inside and seal it with its own self-adhesive strip.

Just a couple of things to keep in mind: All posters, notebooks, and display boards must include a reference list indicating where information was obtained and giving credit to the original author. This reference list should/might include web site links, people and professionals interviewed, books, magazines, etc. It is required for the reference list be attached to the back of a poster or display board, be the last page of a notebook, or included as part of the display visible to the public. A judge is not to discredit an exhibit for the manner in which references are listed. Make sure to carefully review the project requirements prior to the fair. These can be found on our county website (extension.purdue.edu/clay) or in the Extension Office.
