### COVID-19 Safety Plan Summary

To promote the health and safety of our 4-H membership we will be following our COVID-19 safety plan. This plan is summarized below. Patrons of the fair are encouraged to use the hand sanitizer stations throughout the fairgrounds frequently and social distance wherever possible. Per CDC guidance, masks are encouraged for unvaccinated individuals when indoors. We have made changes to large, indoor events to promote social distancing. These events include but are not limited to, the Tots and Tykes Contest, Project Check In, and the Awards Ceremony. We ask that you please follow directional signage in buildings such as the merchants and exhibit hall to avoid large lines. Finally we ask that if you are experiencing symptoms of COVID-19, you refrain from coming to the fair. Contact the office if you need to make arrangements for a digital entry due to quarantine restrictions.

### Pen Set up and Exhibit Hall Clean Up July 1 at 5:30 pm

Please come out to the Fairgrounds on July 1st to help our volunteers set up for fair! Head to your respective barns and/or Exhibit Hall when you arrive at the fairgrounds. Project superintendents will direct you to help where you are needed. The swine barn has been set up but lots of help is needed in the exhibit hall.

### 4-H Livestock Auction Update- Important for all auction exhibitors

**Due to a lack of transportation this year we will be unable to haul extra animals to Pates Processing.** Only auction & appraiser animals will be hauled. 4-H Members will have the option of sending the animal to the appraiser or taking it home. All swine that are going home will be released Thursday Night, July 15 at 10 pm.

### Mandatory Livestock Auction Pictures begin at 6:00 am, Monday, July 12

All 4-H members selling in the livestock auction need to have their photo taken Monday morning. These photos are given to buyers to promote the livestock auction and thank them for their sponsorship. Please dress as you would for the show ring. Please report at the following times.

Beef Exhibitors: 6:00 am

Swine Exhibitors: 6:30 am

Sheep Exhibitors: 7:00 am

## Project Check In Update/Locations

**Thursday, July 8 from 4-7 pm**

As mentioned previously, project check in will be further spaced out to promote social distancing. Procedures remain the same. Judging is open, meaning Judges will be interviewing members but, locations have altered slightly. We will be using garage doors in multiple locations to aid in the process and cut down on lines. Please review the following charts to see where your projects will be turned in and judged. There will also be a Superintendent Meeting at 3 pm in the Community Building to touch base on check in procedures.

### On Check In Day:

**Step 1:** Pick up your Fair Entry Cards from the North Exhibit Hall Open Class door and attach them to your projects.

**Step 2:** Review the following chart and signage to turn your projects into the correct location.

**Step 3:** Turn in your Record Sheets in your Record Books to the Fair Office. All record sheets are due by Monday 7/12.

\*Horse & Pony Members turn their record sheets into superintendents on show day.

## Indiana State Fair Entries– Animals Only

### After July 1st the price of Entries Increases

All animal projects headed to state fair that had their DNA collected at county tagging will need to enter their classes on the Indiana State Fair's Exhibitors Corner Website. Each animal department has their own deadlines and fees. Most of those deadlines do not close until a week before the respective show. However price increases as you get closer. If you are planning to show your animal at the state fair take advantage of early registration discounts by entering early. All exhibit hall projects, such as photography, are free and entered by the extension office after county fair judging.
