

1st Annual SOIL HEALTH URBAN FARM TOUR

Friday, April 23, 2021
10a.m. - 3p.m.

Faith CDC & Orchard

The Mystical Farm

Peace Farms

This interactive educational tour is designed to meet the needs of current and prospective urban farmers and growers. We will tour three established urban farms in Gary, IN, focusing on how each farm manages soil health to grow in an urban environment. Topics discussed will include composting, vermicomposting, container growing, soil testing, bioremediation, high tunnel production, and produce safety.
