PANCAKE DAY

February 29th 7 AM-7 PM

If you have not signed up to work, please call to get your name on the schedule. It is hard yet fun work! We need people in the afternoon & evening! Pancake Day money buys all 4-H project manuals, covers our trips to Purdue Workshops, 4-H camp & many other essentials! This year we are improving the 4-H building. It's good to have our JL's taking the lead in working.

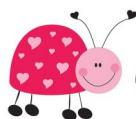

Hey, Howdy, Hi!

We hope you all are surviving this weird winter weather we've been receiving recently. January was a long month but we've made it through!

In other news, it seems like February is the month that everyone in Miami County eagerly anticipates every year. Even though Corey is more of a French toast or waffles kind of guy, and Kim loves any kind of breakfast food, we are both looking forward to participating in another Pancake Day! Somedays we joke that our titles should really be "Pancake Coordinators" instead of Extension Educators. We'll be counting on all of you to help make sure we get another FULL Pancake Day experience; we don't want to miss out on a single thing!
