A Word from your 4-H Educator

Dear Posey County 4-H Families,

Welcome to all new 4-H Families! Please be sure to read this newsletter to stay up to date on all 4-H happenings! If you have any questions, reach out to your club leaders or the Extension Office.

If there is anyone that falls under the criteria to be a camp counselor, we could use more from Posey County. The deadline has past, but we do not have enough young people to assist with camp (especially boys). So, you can see that information has been left in this newsletter to give you more details. Please call or email me if you are interested!

As we continue to plan for this year's events, communication will be sent through 4-H Online. Please make sure to keep your email address updated as this is the best way to receive up-to-date communication. Also, be sure to check out the Purdue Extension-Posey County Facebook page and <https://extension.purdue.edu/posey> for more information.

Manuals and Handbooks are not available at this time. We should receive them mid-March and we will reach out to club leaders when your club's supply is ready. In the meantime, please visit <https://extension.purdue.edu/posey> for the digital copy of the Handbook. **The Digital Copy on the website will always be updated with any changes that develop during the year.** You can also find changes in the Handbook Updates section of this newsletter; this will allow you to see any changes that have happened after the handbook were sent to print.

Mini 4-H members, please feel free to join your local 4-H club meetings to learn about all the great things happening! If you are wanting to show in a Mini 4-H livestock exhibition, you will need to sign the livestock waiver located on our website.

There is lots to read in this newsletter, I do apologize but that is the best way to find all your 4-H needs in two places (handbook and newsletters). I hope that I am the only teacher you have who is receiving the longest newsletter award! If you made it this far, you are doing good but keep reading.

Feel free to reach out to me with any questions! I will do my best to fulfill the local necessities to keep our 4-H program moving forward.

Sincerely,

Kristen Lowry

CED and HHS Extension Educator

Tractor Driving

Tractor Driving contest will be on May 31st at Junckers in Mt. Vernon. In order for our 4-H volunteers and office to be ready for this event, we need your assistance. We ask that you please sign up on Fair Entry as soon as it opens on May 16th. This will allow us to know what classes we will need to have for the contest, how many judges, etc. We greatly appreciate your organization in this! Go ahead and set the date on your calendar!

Livestock Information

Indiana Livestock Quality Training

We held our first training in February and had 24 youth in attendance! Thank you very much for all that have completed this training. Be sure to make it to the next two trainings if possible. We will have two more trainings this spring in Posey County that will be paid for by the 4-H Council. Both trainings will be held at the Posey County Community and Events Center (PCCEC). If you can't attend these events, you will need to go to a class in a different county or can take the training online. This will not be provided by the 4-H Council though.

Training dates:

Wednesday, March 12, 2025 - 6 p.m.

Tuesday, May 13, 2025 - 6 p.m.

Registration: <https://2025indianalivestockqualityposeycounty.4honline.com>

If you are not able to attend any of these trainings provided, you can go to another county to take the class (\$3) or go online to take the class (\$12 and link below to register). After both of these classes, you will need to send the certificate of completion to our office poseyces@purdue.edu by email.

<https://yqcaprogram.org>

Livestock Superintendents- After the May 13th training at 6 p.m., there will be a training for you on Fair Entry by 4-H Educator, Lauren from Dubois County. She will be there for however long to help answer all of your questions! She will not be available the week of our fair and it's very important for you to attend this training! There won't be the assistance the week of the fair like you've had in the past.

Animal ID -Tagging

All beef, dairy, meat goat, sheep and swine exhibitors are required to correctly enter animal tag ID's into 4-H Online. You will not be allowed to enter 0's into the tag entry on 4-H Online.

This year you will fill out a Google Document. Then we will email you back once the tags are ready to pick up. At this time, there will be no tagging day. Not sure what you need? This document is very detailed in helping you select your answers.

<https://forms.gle/t5BEcUvpCYM8f7Rn9>

Premise ID

Registering your premises is done online, at no charge, and takes only about 5 minutes. Visit the Indiana State Board of Animal Health's (BOAH) website: www.in.gov/boah and click on "Premises Registration".

BOAH staff will issue a premise identification number (also known as a "premlD") within three to five business days after the online form is submitted. If registering by mail with a paper form, allow ten business days for a premlD to be issued.

Do you need to verify your premises identification number? Contact BOAH at: 317-544-2400 or email animalhealth@boah.in.gov. Be sure to note the name and premises' physical address listed on the registration.

All Indiana premises associated with the purchase, sale and/or exhibition of cattle, swine, sheep, goats and farmed cervids must be registered by state law. Registration allows BOAH to be more effective tracing animal movements in a major animal health emergency investigation.

4-H Online Animal ID Family Sharing

Please note that you are only allowed to list siblings' animals on your 4-H Online profile. You cannot list secondary family animals on your 4-H Online. This means you cannot list cousins' animals on your profile. If you have any questions, please contact the Extension Office 812-838-1331.

Official ID

An Official ID tag is imprinted with an "US shield"

Official ID tags include but not limited to Scrapie Tag, Flock ID, visual 840 Tags &/or 840 RFID Tags.

Official ID tags are permanent & tamper resistant.

It is a FELONY to remove an Official Identification!

If you have questions on which tags to remove, please contact the Extension Office at 812-838-1331.

Animal ID Deadline

All animal identification is to be submitted on 4-H Online by May 15. Animals not enrolled by this deadline cannot be exhibited at the county or state fair.

For more information about animal identification and requirements, visit:

<https://extension.purdue.edu/4-H/projects/animal-identification.html>

2024 Indiana 4-H Animal Identification

The following table lists the different animal species and the respective form of identification that is required for a 4-H member to be eligible to show in the 4-H livestock shows at the 2024 Indiana State Fair. The animal ID information must be entered in the Indiana 4-H Online enrollment system by the respective deadlines. Missing, incomplete or incorrect animal ID information could result in state fair ineligibility for that particular animal.

Handbook Updates

In this section we will add any changes that have happened to the handbook since it went to print. However, if you visit our website the most current handbook will be live there (even between newsletters).

Changes to date:

- New Club Leaders: Country Bumpkins, Janelle Burton
- New Livestock Superintendents: Meat Goats, Stephaine and Erick Sharber
- 4-H Static Project Check in is Tuesday, July 8th from 4-6 p.m. If you have a community judged project, you will sign up for a time with a sign up link that will be provided at a later date. This will allow judges to have five minutes with each youth and then five minutes to make comments.

4-H T-Shirts Information

We all love the 4-H T-shirts that we have received or seen on around the county. This would not be possible without the generous donations that we receive from them. Please take a look at the letter and if you are able, we would appreciate your donation. **All donations are due May 1st.**

2025 Posey County 4-H Council T-Shirt Sponsorship

The Posey County 4-H Council is seeking t-shirt sponsors for a shirt that will be provided to all 4-H'ers in July 2025. Each 4-H'er and 4-H club leader will be provided a shirt in advance of the Posey County Fair. These shirts will unite our members, build camaraderie, increase awareness of our 4-H program, and establish community among our 4-H'ers. Given the success and popularity of the shirts last year with our 4-H'ers, we are excited to have this opportunity return. With your continued support, we hope to offer these shirts annually to our 4-H'ers. You contribute to this success!

The design on the front of the shirt will be created by a local 4-H'er. The 4-H Council is supporting a contest for local 4-H'ers to showcase their creativity. The winning design will be featured on the front of this year's shirt!

The 4-H program reaches youth through a variety of activities and helps them increase their self-confidence, gain knowledge for future careers, and develop important life skills such as leadership and citizenship throughout their 4-H career. As you know, the highlight of each year at the local level is the Posey County Fair, where Posey County 4-H members exhibit the projects they have worked on throughout the year. We expect 4-H'ers to wear these shirts with pride not only during the fair, but throughout the year!

Sponsoring this year's shirt will get your logo or name on the back of over 400 shirts worn by Posey County 4-H members and club leaders!

What you need to know:

- 3 Sponsorship Levels are Available - \$250 Gold, \$150 Silver or \$100 Bronze for recognition on the shirt
- Donations of any amount are welcome, but only those sponsors supporting at or above the Gold, Silver or Bronze levels will have the option to be listed on the shirt.
- Company Logo or Family Name will go on the back of the t-shirt
- Sponsors at the Gold, Silver or Bronze levels will receive a t-shirt
- Sponsorship collection will end May 1, 2025
- Donors may choose to remain anonymous.

Checks may be made Posey County 4-H Council.

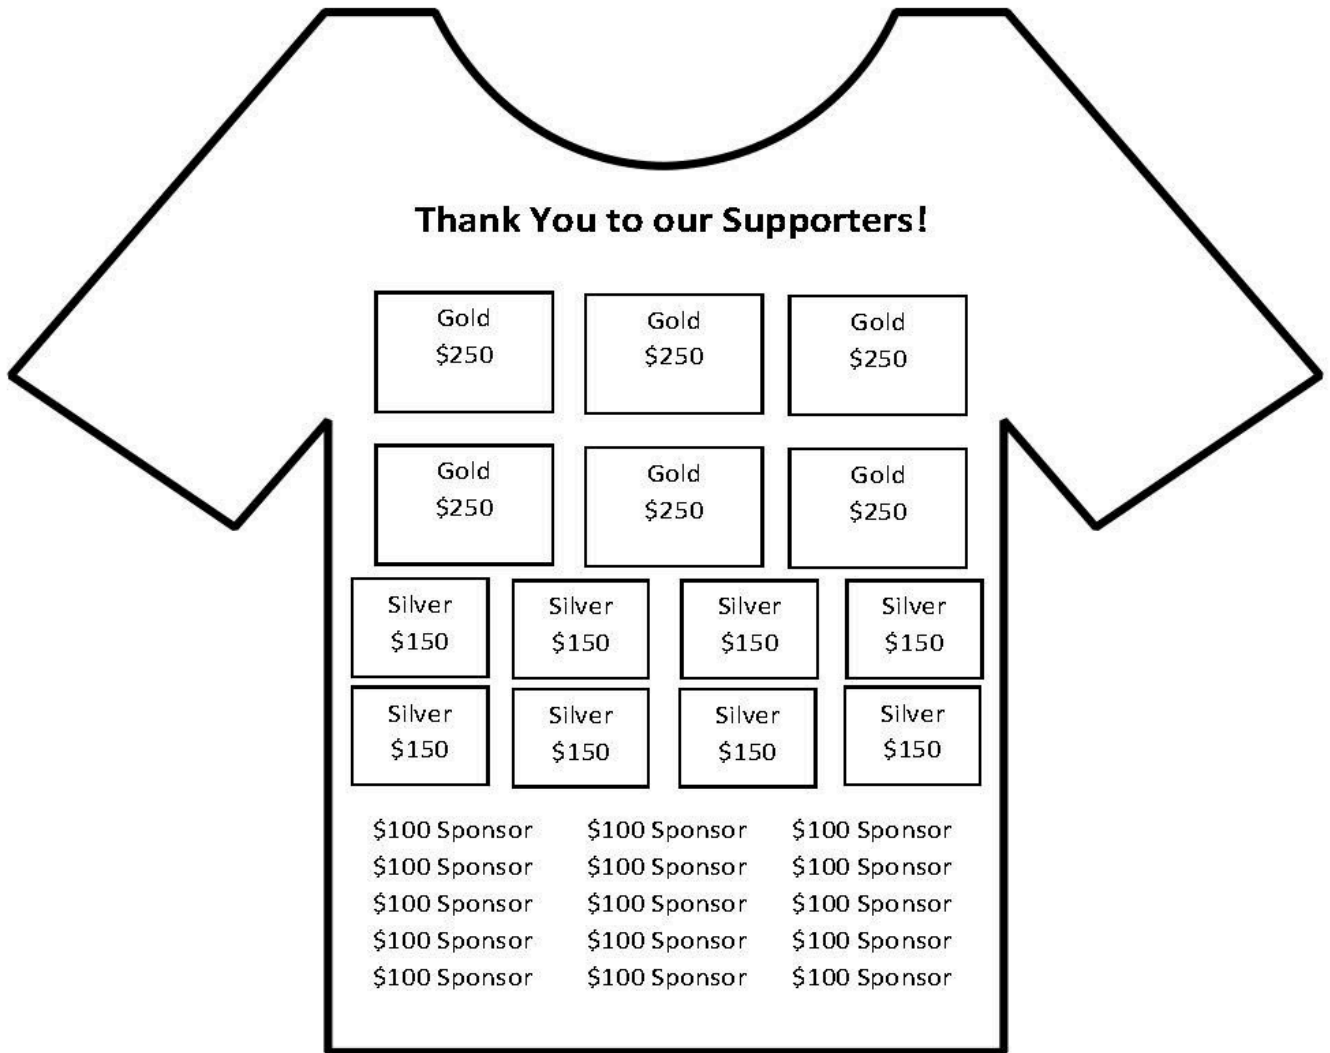

Email Company Logo or Family Name to klowry@purdue.edu
