

Where to find projects in Fair Entry

Posey County 4-H FairEntry works in cooperation with 4-H Online, so you will use the same username and password as 4-H Online. Families will use FairEntry to pre-enter projects for the fair. This program will be used to create project labels, check in sheets, judging sheets, show programs, media reports, ribbon placings, award placings and more.

Please enter projects for the Posey County 4-H Fair by June 15. For projects by grade level you will use the grade you were enrolled in as of January 1. The 4-H projects will be listed under a specific Department. The following is a guide to help you find projects in FairEntry.
