## PHILOSOPHY OF AWARDS GIVEN AT ACHIEVEMENT PROGRAM

We believe in rewarding 4-H members for their efforts in many different ways. The incentive most 4-H members are familiar with is a receiving a ribbon and/or trophy during Warrick County Fair week for an exhibit submission. However, the core of the incentive program seeks to reward the knowledge and skills found through a particular 4-H project, activity or program highlighting what they have *learned* in the project, as well as how it was learned. The purpose of the Achievement Awards is to reward the *growth* of project requirements and/or the pursuit of one phase of an activity for deeper understanding. The Awards Committee meet several times the previous fall to select achievement pin and trip recipients. Achievement pins are given in each project for a 4-H member's achievement during that particular year. Project achievement pins are awarded based on one pin for every ten-project exhibit and/or completions. Trips are awarded on a project completed/age/grade combination to meet both county and state guidelines. Selection is based upon work done by the 4-H member in an individual project as shown by the White Achievement Card "My Record of 4-H Achievement".

Selection of these awards are made first from the evaluation of (1) Information learned reported on the front of the card and then: (2) Project work reported on the front of the card (3) Demonstrations given (4) Judging activities completed (5) Committee Work (6) Meetings/Workshops attended (7) Community Service (8) Leadership demonstrated and (9) Other 4-H activities.

The Warrick County Purdue Extension employees, 4-H Council and the Awards Committee reviewed the requirements for awards.

We have put forth our best efforts in proofreading, which includes double-checking all 4-H members' names to make sure we have the correct spelling. However, we are human after all and apologize in advance if there is some mishap. Please let the office know and we will be glad to provide you another copy of the book or program as a keepsake with correct spelling.

Thank you!

If a 4-Her cannot take the trip he/she is awarded and does not notify the Extension Office that they will not be taking the trip **PRIOR to March 1, 2025**, and a replacement is not found, the 4-H member will be required to reimburse the 4-H Council for the amount of the trip and transportation fees, if applicable. This includes all State and National trips, as well as 4-H Choir and 4-H Band. A signed behavior form and acceptance or a non-acceptance of trip must be on file at the Warrick County Extension Office for each trip.
