Pork Industry Handbook and DVD

The Pork Industry Handbook is the premier reference for modern American pork production with more than 270 science-based and cutting-edge fact sheets for pork producers and related industries. In its new form, the hardbound, two-book set includes 1,600+ pages with an all-new, expanded nutrition section. The entire book is also available as searchable PDFs on a DVD that includes 35 videos. You can buy the two packaged together. Also, you can buy a package that includes the 2-volume set, the DVD, and a CD of the new National Swine Nutrition Guide (NSNG) Diet Formulator & Evaluation Software (not available separately).
