Fight Emerald Ash Borer

NEED

- ▶ Replace ash trees before destroyed by emerald ash borer
- ▶ Create more shade for fairgrounds

ACTION

- ▶ 14 Junior Leaders, 3 4-H volunteers, 3 Farm Credit Mid-America employees, and 2 community youth purchased and planted 22 new, young trees on Boone County Fairgrounds

RESULT

- ▶ 11 new species of trees were introduced to the fairgrounds to replace ash trees at risk of being infected by emerald ash borer and increase aesthetic appeal of Boone County Fairgrounds
- ▶ Junior Leaders learned about properly digging a hole, mulching, and teamwork when planting the trees
- ▶ Junior Leaders on grant committee learned to write a grant and create a budget

"It might have been a little chilly, but it was worth it to now see these trees growing wonderfully on the grounds to help not just the grounds look good, but to fight the emerald ash borer."

- 4-H Jr. Leader

"I am so excited for the future years when I see those trees and remember who planted them and the fun we had working together." - 4-H Jr. Leader

Clay County 4-H Rabbit Club

Handicap Accessible Fairgrounds

NEED

- ▶ More handicap accessibility at the Clay County 4-H Fairgrounds

ACTION

- ▶ 16 4-H members, 5 4-H volunteers, 1 Farm Credit Mid-America employee, and 2 other community members planned for the installation of sidewalks to connect the show arena to handicap accessible bathrooms

RESULT

- ▶ 4-H members gained an appreciation for diversity and provided welcoming environments for all individuals
- ▶ More individuals were able to enjoy livestock shows and other events in the show arena

"It will make it so much easier for grandparents and parents to attend shows to support our 4-H members."
- Adult Participant

"It will allow more people to come to the fairgrounds, since it is becoming more handicap accessible."
- Community Member

Daviess County 4-H Junior Leaders

Raised Garden Bed for Head Start

NEED

- ▶ Opportunity for Head Start Program families to learn about the growth of plants and encourage healthy eating

ACTION

- ▶ 12 Junior Leaders, 3 4-H volunteers, and 2 Farm Credit Mid-America employees planned and built a raised garden bed for the families of the Daviess County Head Start Program

RESULT

- ▶ Junior Leaders learned to plan, execute, and achieve goals they had previously set
- ▶ Free, fresh produce was provided for Head Start families

"The families appreciated the garden because it provided them with fresh vegetables throughout the summer."
- Adult Participant

"[I] enjoyed being able to provide a garden to families who could benefit from what it produced." - Youth Participant

Dearborn County 4-H Junior Leaders

Container Gardens

NEED

- ▶ Ability for shut-ins, clients of food pantries, and Clearing House clients of Dearborn County to raise healthy food on their own

ACTION

- ▶ 13 Junior Leaders, 1 4-H volunteer, 4 Farm Credit Mid-America employees, and 2 other community adults collected orders, started, and delivered around 500 container gardens

RESULT

- ▶ Shut-ins, food pantry clients, and Clearing House clients of Dearborn County were able to grow their own nutritious food
- ▶ Junior Leaders learned about problem solving, service learning, keeping records, making healthy lifestyle choices, managing financial records, thinking critically, and valuing diversity

“The project was a great way to really get to help the people in our own community. It really was an eye opener to all the people that need help.”
- Youth Participant

“I really enjoyed helping support the community with this project - how gratifying to see people excited about growing their own food!”
- Farm Credit Employee

Floyd County 4-H Junior Leaders

Pizza Garden School Program

NEED

- ▶ Understanding of where food comes from and how plants are grown

ACTION

- ▶ 13 Junior Leaders, 3 4-H volunteers, 2 Farm Credit Mid-America employees, and 1 other community adult led 29 urban youth in a 9 week program introducing students to “The Pizza Plant,” how all of our food is connected to plants
- ▶ Planted and cared for 6 container “pizza gardens” (tomatoes, herbs, onions, peppers)

RESULT

- ▶ Junior Leaders learned to develop and teach lesson plans and about service learning
- ▶ Junior Leaders gained many leadership and communication skills
- ▶ The program increased the youth’s ability to identify good nutrition by 52% and increased their gardening knowledge by 48%

"I learned how to plant vegetables!" - Youth Participant

"It is amazing the patience [the 4-Her's] had with the kids and awesome that [they] were all willing to work with them." - Farm Credit Employee

Center Super Stars 4-H Club

Handicap Accessible Fairgrounds

NEED

- ▶ Handicap accessible entrance to the Howard County L.E.A.D. Center

ACTION

- ▶ 30 4-H members, 5 4-H volunteers, 8 Farm Credit Mid-America employees, and 4 other community adults obtained a handicap accessible door for the L.E.A.D. Center on the Howard County Fairgrounds.

RESULT
