Now's the time to step up.

Confident, skilled and knowledgeable leaders guide organizations and communities through the challenges they face in today's changing environment. More leaders are needed to step up, get involved, and create more vibrant communities.

This leadership development training program is geared for you, the interested community volunteer, who wants to make a difference in your community.

You will learn more about...

- Your own leadership abilities
- Your county
- Current community issues
- How you can make a difference!

About the program

The program consists of eleven, four-hour sessions spread over the course of several months, with an optional one-day trip to the Indiana Statehouse.

You are expected to attend 10 of the 11 sessions in order to receive a Certificate of Completion from Purdue Extension.

You'll learn from your personal experiences and self-assessments, small group activities and discussions, current community leaders, online leadership webinars, and real-life applications.
