

SHOOTING SPORTS

PLEASE NOTE: Any changes/updates from the previous year will be BOLDDED and ITALICIZED! Pay special attention to any projects with BOLD, ITALICIZED WORDS because they have changed from last year.

The 4-H shooting sports project teaches safe operation of firearms and archery equipment. Six disciplines are offered at the county level: archery, outdoor skills, **muzzleloader**, pistol, rifle, and shotgun. The **in-person** disciplines offered in Hendricks County depend on the availability of certified 4-H shooting sports instructors to teach the **safety** classes, ranges, and equipment.
