

Welcome to Food, Fun, 4-H!

We are so excited you are able to join our program. At any point that you have questions about your box contents or how to do something, please reach out to 4-H Educator, Lesley Lodmell, at 812-275-4623 or lodmell@purdue.edu. We want this to be a fun experience for your family where you learn a little about cooking and get to enjoy time together.

What to expect each month:

Each month, your kit will contain:

- Groceries to make a family meal
- Recipes using the groceries provided
- An additional recipe in case you want to try something more
- A family challenge and dinner conversation topics
- A lesson about something from health to kitchen skills
- Reusable Shopping bag
- Aprons (first month only)

To be eligible for your next meal kit, you will need to complete a quick survey to share two pictures (one of your family preparing one of the dishes and one of a family meal). We will also ask you to briefly respond to each of these statements:

- "I Like..."
- "I wish..."
- "I wonder..."

Answer those quick questions, and you will be able to pick up a meal kit for the next month.

Pick Up Details:

- **Location:** Purdue Extension Office; 924 16th Street, Bedford, IN 47421
- **Time:** 11:30am- 6:00pm each pick up day

Completion of the Program:

We want to say a special thanks to IU Center for Rural Engagement, I-Hope, and the Lost River Market and Deli for making this financially possible.
