

CJ White

CJ is the son of Curtis & Kim White and a brother to Aubrey. He has been a member of the Austin 4-H Club, Scott County Jr. Leaders and Rough Riders 4-H club.

Projects that CJ has completed include swine, goats, beef, and arts & crafts. His favorite project was the taxidermy of a deer that took him 6 months and a lot of "blood, sweat and tears" to complete; for which he received Grand Champion!

CJ is on the worship team at First Christian Church and Austin Christian Church and he has worked at Wonder Valley Church Camp for the last 8 years. CJ has volunteered in the community by helping with a petting zoo at St. James Place and he took animals to Grace Christian Academy. CJ plans to attend Johnson University in Knoxville TN to study preaching and leadership. He plans to return back to Indiana to raise cattle, work at Cummins and preach on Sundays.
